

Concept

Our gallery, located in a vibrant district where art and business thrive, is a space integrated with a stylish hair salon. Gallery 60 NYC is a diverse space where art and beauty, internationality and locality, as well as tradition and innovation intersect. We host a variety of genres including paintings, sculptures, calligraphy, illustrations, ceramics, and photography. We also hold events like fashion shows and workshops.

About Us

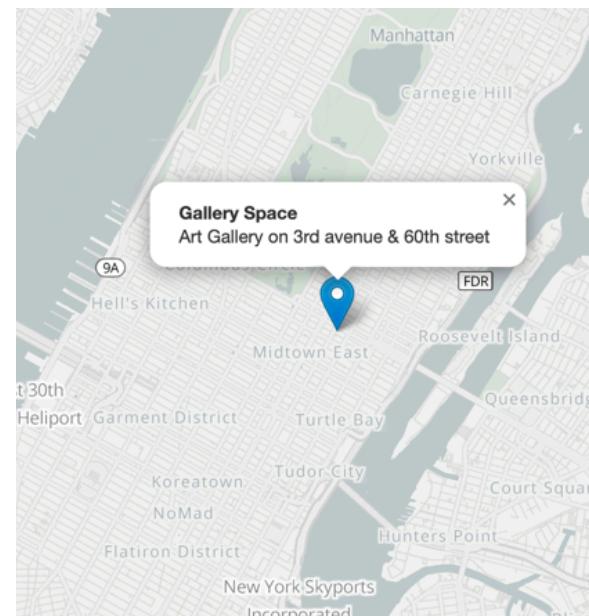

The owner of Gallery 60 NYC, Michi Tahara, is an experienced individual who has been organizing the Tokyo-New York Friendship Ceramic Competition at New York's Nippon Club for over 20 years. Our gallery has a track record of operation as Michi Gallery from 2005 to 2012, during which we introduced many artists from both domestic and international backgrounds. In 2023, we reopened as a platform to discover new talent.

Not only are the gallery's owner, manager, and staff present from 10 a.m. to 5 p.m., but preparations for exhibitions can also begin prior to the arrival of artists from abroad. A dedicated sales representative is always on site, providing artists not only the opportunity to display their work but also the chance to sell directly to interested buyers through receptions and online events.
